Thank you Brad for taking care of this while you are off (another example of a great public servant working hard)! I hope everyone has a nice Thanksgiving holiday!

Privileged Common Interest Material

Team,

I sent the CD to Fred. I also had a lively discussions beforehand, primarily related to contaminants of concern.

Fred and I agreed to touch base next week to discuss, at a minimum, the process moving forward in our negotiations.

Wishing you and yours a happy, healthy, and safe Thanksgiving. Among the things I am thankful for is public servant colleagues like you, who work so hard on behalf of human health and the environment.

Thanks,
Brad

Subject: Draft Consent Decree Modification

Subject to FRE 408

Fred,

Per our discussion, please see the attached draft consent decree modification in redline and clean copy.

To the extent that CRW has suggested edits to the draft consent decree modification, please make the edits in redline on the clean copy version of the document. I believe that will be the most efficient way to move forward with the drafting.

We have also attached a draft table to delineate the Appendix B projects. We expect there will be further discussion of projects/timing based on our discussion.

Wishing you and yours a healthy, happy, and safe Thanksgiving.

Regards,
Brad
